

# Peace by Piece Quilters Newsletter

March 2019

## Peace by Piece Quilters Status Update

If you've read a newsletter or attended a bee in January or February then you know the future of Peace by Piece depends on volunteers stepping forward to manage the various required tasks it takes to keep the group alive. To date most of those task now have a manager but 7-8 positions are still vacant.

Positions still open include: (Positions 1 & 2 could be done by one person or shared by two).

- 1) Cut batting for quilts to be quilted or tied at the bees and for quilting homework. This would typically be for 10-20 quilts per bee. Store batting (usually purchased in 30 yard rolls).
- 2) Layer and pin baste 3-6 quilts for quilting during the bee.
- 3) Manage kit bee supplies. This includes re-filing used patterns, tossing overused patterns and replacing with new copies, collecting and storing used Ziploc bags and replacing worn out ones, organizing small items like kit tags such as "Holiday" and "Just needs borders sewn on". Storage space required is four 3-ring binders and two plastic shoeboxes. Transfer these items to kit bees 1-4 times per year. Requires very little time.
- 4) Need 2-3 people to arrive at bees early to set space up for bee and reset to original layout at end of bee.
- 5) One person to be the keeper of the facility door key. This would require an early arrival for set up and the last person to leave at the end of the day to secure space.
- 6) Someone to write the monthly PbP newsletter. The writer could include as little or as much info as desired. Must have the ability to convert text to a pdf. Monitor website for needed updates such as dates. Email info to me for uploading onto website.

- 7) One person to write a small article for the Church newsletter about once every 3 or 4 months, can include a picture. The church secretary has asked we do this. Email article to secretary at [cmallonee@missiondelsol.org](mailto:cmallonee@missiondelsol.org).

Please contact Wanda at the bee or using the link at the end of this newsletter if you are interested in volunteering any of these positions.

## Bee Report

During the February Bee...

- 67 quilts were completed.
