Newsletter

April & May 2020

In April we donated 58 Quilts.

Good Morning Ladies,

I hope this finds you and yours well. Maybe a bit of cabin fever. Or did you get some projects started or completed.

Since our last bee Donna has moved all the fabric from her house to mine. That will give Donna more time to quilt. I think it will be easier to have all the fabric and tools in one place.

Roger build the shelves and now have storage shelves at the church for bee supplies. And a lot less moving for Roger & I on bee day.

May 7 cancelled... The church (Mission del Sol) plans on opening May 10. Time will tell.

June 4 cancelled... The church is not available on June 4.

June 25 is available... The only other Thursday that is available. We well have our Bee on June 25.

July 2... we usually don't meet in July because of the low turnout.

August 6.... We will have a regular sewing bee, Plus we will have holiday fabric and patterns available to make kits.

We have 235 kits available. We have quilters ready to quilt. We have NO quilt tops available. If you have any kits completed or are willing to sew kits, please email me at galasquilting@gmail.com to be able to make connections to get the tops to the our quilters. The time will be as the regulations are lifted.
