Quilt Sizes: I thought I would review our quilt sizes since AZ Blankets 4 Kids requested that we make our teen quilts larger. These sizes are approximate:

Small -Toddlers & Infants up to 40 X 40.

Medium – Child 40 X 48

Large – Older Child 40 X 55 to 60

Extra Large – Teen 50 X or wider to 60 X 70

We are really short on small and extra large quilt tops, but all tops are welcomed on our shelves.

If you have any questions, see Donna Still at the bees. Thanks!

Homework Requests: If you can help with the quilting at home or are willing to piece backs for the group, please send an email request to Gala at galasquilting@gmail.com.
