Peace by Piece Quilters

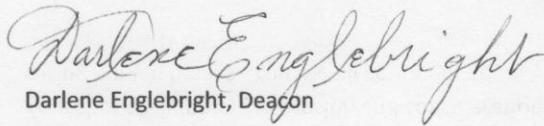

Dear Wanda:

Thank you so very much and the Peace by Piece Quilter Ladies for your generous hygiene donations! Because of you, today I was able to deliver to the Kyrene Foundation 44 One-Gallon Bags full of hygiene products. I also turned in the extraneous items which The Foundation will include in their bags when they get more items. As I said last year in October, "**THANK YOU, THANK YOU, THANK YOU**"!!! The people at The Foundation were so happy. They don't often get the six items that you provided in each bag. They expressed their gratitude to me asking that I convey their sentiments to all of you. This is the time of year that those hygiene bags go so fast they can't keep them in stock.

Your thoughtfulness, generosity, and considerations for those less-fortunate than we, are exemplary of caring human beings. You are all commended for your efforts. I am certain each and everyone of you have a "**HEART OF GOLD**". Please know your heartfelt and generous donations will be put to good use: The hygiene products are the most requested items from the parents and children. Every time I deliver donations to the Foundation, I see mothers there asking for shampoo, soap and the other items you give them.

On behalf of the Deacons at Mission del Sol Presbyterian Church, I, again, humbly thank each and every one of you who participated in your drive. God bless you.

Most Sincerely,

Darlene Englebright, Deacon
